

Quartz Matt Install Kit

Features & Benefits

- Quartz Matt Installation Kit includes everything a fitter requires to install a Quartz Matt Worktop. There are also products for Care & Maintenance included that can be used after installation and should be left with the customer.

The kit includes the following:

Installation and Care & Maintenance Guide –
Detailed instructions of how to install and care for your Quartz Matt worktop. Note: Follow the Worktop Manufacturer Installation Guidelines in the first instance.

Self Adhesive Heat Reflective Foil Sheets x2 –

For use on the underside of the worktop above dishwasher, cooker and washing machine. Necessary to stop the heat from cracking the worktop.

Heat Reflective Tape Roll –
For worktop hob cut outs. Necessary to stop the heat from cracking the worktop

Fixings Pack (12 brackets / 48 screws & washers) –
Fix Quartz and MDF composite worktops at intersection with carcass tops. Expansion brackets allow movement of worktop.

Fix Solid Quartz worktops at intersection with carcass tops using silicone.

Alcohol Wipes x2

Clean the worktop joint before applying silicone to make sure there are no loose particles or oil from cutters in the joint surfaces.

Silicone –
Premium grade neutral cure silicone to joint worktops, secure worktops to carcass and back splash to wall. Neutral cure will not stain or blacken the worktop.

Matt Stone Paste –
Formulated paste for deep cleansing and restoration of matt quartz surfaces.

Granite & Quartz Worktop Cleaner –
Use for everyday cleaning of the work surface and for the final clean after installation.

Disposable Gloves –
Use with Silicone and Matt Stone Paste – always wear rubber gloves when using chemicals.

Abrasive Disc Pad – White –
Use in conjunction with Matt Stone Paste to remove persistent marks.

Microfibre Cloth –
Use with Granite & Quartz Worktop Cleaner for everyday cleaning.

Silicone

Features:

- Unika Silicone is a high quality neutral cure silicone. It is suitable for most sealing jobs internally and externally and stays elastic after curing.
- Solvent free
- Permanent colour, UV resistant
- Low modulus
- Very good adhesion on many materials

Directions:

- Method: cartridge gun
- Application temperature: +5°C to +35°C

Quartz Matt Install Kit

Matt Stone Paste

Features:

- For stubborn marks or stains on matt finishes apply Matt Stone Paste.
- Use with plenty of water and a white abrasive pad. Work in a large circular motion and clean the whole worktop. Rinse well with hot soapy water and dry with a clean cloth.

Granite & Quartz Worktop Cleaner

Use on: Granite, Quartz, Marble & Natural Stone Surfaces

Features:

- Unika Granite & Quartz Worktop Cleaner is a ready to use everyday specialist cleaner, which tackles everyday grease and grime.
- Antibacterial care
- Cleans worktop safely – it is non hazardous, biodegradable and solvent free
- Cleans worktops without leaving smears to a sparkling clean finish.

Directions:

- Spray directly onto work surface. Use a clean dry soft cloth to dry surface and buff to a finish.

- It is always best to clean up spills as they occur. However if any stains need further attention, allow Unika Granite & Quartz Cleaner 30 seconds contact time before wiping and rinsing.

Retailer Opportunity:

Sell alongside every Quartz Worktop Sale.

A good quality worktop cleaner and matt paste is necessary to maintain a Matt Quartz Worktop.
