

Solid Wood Floor Fitting Kit

High margin product.

There is no kit like this one currently on the market.

Product Description:

Floor Fitting kit for installing solid wood flooring. Includes:

- 1 x Professional Push Block
- 1 x Professional Pull Bar
- 100 x Spacers
- 1 x Spatula

Key Features:

- Solid Wood Floor Fitting Kit includes everything you need to fit a solid wood floor:
- 1 x Professional Push Block – heavy duty design for pushing together timber floor panels.
- Designed so that it will reduce the damage to the panels, the more damaged the panels the harder it will be to put the flooring together.

- 1 x Professional Pull Bar – heavy duty design for fitting the panels around the perimeter of the room.
- 100 x Floor spacers – Enough spacers to use on all walls.
- 1 x PVA spatula – Handy spatula for removing any unwanted glue.

Consumer Benefits:

A handy Solid wood fitting kit pack with everything required to fit a solid wood floor. Good quality hard wearing professional tools which are designed for the job.

Product Advantages:

Solid Wood fitting kit is sold as an uncomplicated complete unit.

Retailer Opportunity:

Solid Wood Fitting kit can be sold with every solid wood flooring sale.
