

# Easyclean Dual Purpose Mop

## Key Features:

For Wet and Dry Cleaning.

Unika EasyClean can be used on any type of floor covering – wood, laminate, tiles, linoleum etc.

EasyClean enables a thorough wash without any risk of damage. It will prevent the use of excessive water on wood and laminate floors, which can cause damage through joint opening.

- The cotton fibres remove dust and loose dirt.
- The tough sponge strips when wet will give a thorough clean.
- Machine washable cloth.

## Directions for Use:

Using figure of eight movements the microfibre pad will easily pick up grease, dust and dirt.

Spray Cleaner onto floor and wipe dry with mop.

## Consumer Benefits:

EasyClean is quick and hygienic way to clean laminate and wood flooring. EasyClean prevents the use of excessive water which will cause damage through joint opening.

## Retailer Opportunity:

A Specialised cleaning system such as EasyClean can be sold with virtually every laminate and solid wood flooring sale.
