

Scotia

Directions for Use:

To Fix Unika Scotia in place, simply:
Measure and carefully cut the scotia to the correct length.

Place a bead of Unika MultiFix on the reverse of the scotia.

Hold in place until secure.

Wipe up any excess MultiFix with a clean damp cloth.

Consumer Benefits:

Unika scotia foils match the most popular laminate finishes and are continually being updated to ensure our customers receive the closest matches to their floors.

Retailer Opportunity:

Scotia can be sold with every laminate flooring sale.

Scotia colours have been matched to the most popular laminate flooring colours and are being added to on a continuous basis.

All Unika Scotia is sold in tubes of 50 pieces to make handling easy.

Scotia and HDF profile displays are available with a stock order.

Product Description:

MDF Foil wrapped Scotia

Key Features:

- Scotia is designed to cover the expansion gap between the floor and skirting and will ensure a perfect finish to all laminate floors.
- Scotia is available in 2400mm lengths with a radius of 15mm. Unika scotia is manufactured using foils to match the most popular laminate finishes. There are 20 colours in the range and new designs are added on an ongoing basis.
